

FLEXI MOUNT HEAVY-DUTY TIN ROOF

The Hills Antenna FB607042A Flexi Mount Tin Roof Heavy Duty is a Foxtel-approved satellite dish mount, allowing for precise alignment of 65cm and 80cm dishes on timber-framed tin roofs, in both residential and commercial applications.

It is also compatible with NBN fixed wireless installations in W55 wind-load regions A/B. For regions C/D, the installation of either the FB607226 or FB607150A mount is required to upgrade the wind load capacity to W60.

Features:

- Compatible with 65cm & 80cm satellite dishes
- Constructed from high-grade pre-galvanised steel
- Black powder-coated version (TRM-FLEXI-B) also available
- All necessary mounting hardware is included
- Foxtel Approved IPL # G99
- NBN APL Approved - MA-2018-000019

Wind Classification:

- C3 (W60) with 65cm dish
- C2.5 (W55) with 80cm dish
